The soldier painted mural which adorns the entire north wall of the Service Club is an impressive and spectacular work of art—symbolic of man's supremacy in the air, and is an inspiration to all men in uniform. It is about 20 feet high and 35 feet wide and six weeks was required to complete it.

Designed and created by Staff Sgts. Richard Pefferle and Laurence Colwell, ably assisted by Privates F. C. John Burns and Charles Ford.
